

Working Documents

Carbery Housing Association is committed to working in partnership with members, residents and local stakeholders in the development of sound administrative and financial structures. The Association has agreed a number of policy documents for the management and maintenance of the Association and its developments. The Association welcomes comments on these documents, and is always willing to amend and improve policies and procedures. (Download documents by clicking on titles)

2006 Revision to Housing Action Plan for Cork County Council

This is CHA's submission to Cork County Council Western Region as our intended development work programme for the Region, in support of the Council's Strategic Action Plan for Housing.

Equality Policy

CHA is committed to equality of opportunity and has agreed an equality policy to underpin all its projects.

Housing Allocation Policy

Based on the allocation guidelines for social housing set out by the Department of Environment Heritage and Local Government and incorporating views of members and the Executive Committee.

Housing Management Plan

CHA has agreed guidelines for management of social housing, based on the resources available and best practise from other organisations, as well as recommended guidelines from the DoEHLG.

Financial Standing Orders

Carbery Housing has adopted financial standing orders to guide its management and application of resources on behalf of the community.

Work Programme for 2006

Carbery Housing works to and agreed Work Programme for the year in progress, adopted at the AGM.
